This is your authorization to act as our agent to repossess on sight the above collateral which is covered by a defaulted installment contract. This will certify that we have the right to the immediate possession of this collateral.

We agree to indemnify and save you harmless from and against any and all claims, except unlawful act of your firm. You will not be held liable for the mechanical operation of the vehicle or for insurance protection except in case of your neglect.

**Nothing contained herein should be construed to authorize
the violation of state law.**
